ASCI Welcome Reception and ASCI Annual Dinner
Friday, April 15
6 p.m. – 9:30 p.m.
On Friday, April 15, at 6 p.m., the ASCI Welcome Reception welcomes attendees of the ASCI/AAP 2005 Joint Meeting. This event will take place in the Moulin Rouge, and all attendees of the ASCI/AAP Joint Meeting are invited to attend. The ASCI Annual Dinner follows at 7 p.m. in the Imperial Ballroom. The dinner will feature a talk entitled, “Hype, Hope and Happenstance” presented by Stuart H. Orkin, MD, of the Dana Farber Cancer Institute. Tickets for the ASCI Dinner, which are available to all meeting attendees, are $30 per person and may be purchased at the Registration Desk.

AAP Reception and Dinner
Saturday, April 16
7 p.m. – 10 p.m.
On Saturday, April 16, 2005, the AAP Annual Reception and Dinner will be held in the Imperial Ballroom. The reception will begin at 7 p.m. in the Imperial Foyer followed by dinner at 8 p.m. Tickets for this exciting event are available for purchase at the AAP Membership Desk located in the International Foyer. Richard D. Klausner, MD, of The Bill & Melinda Gates Foundation, will present “The Challenge of Global Health — the Unfinished Work of Medical Science.” This dinner is open to AAP membership only.

Presidential Dessert Reception
Saturday, April 16
10 p.m. – midnight
All attendees of the ASCI/AAP 2005 Joint Meeting are invited to attend the Presidential Dessert Reception. A spectacular array of assorted pastries, sweets, fruits and cheeses in addition to gourmet international coffees, cordials and wines will be served. This event offers all attendees the opportunity to visit with colleagues and meet new professionals in the field of science and medicine.
Meeting Objectives
This meeting is targeted to physician-scientists, research scientists, clinicians and medical education professionals. At the completion of this meeting, participants will be able to:

• Gain insights into the advances in translational research and the needs of the clinical investigator
• Understand biomedical research advances with particular emphasis on their ability to improve medical care
• Learn about the new advanced technologies that will have broad implications in biomedical research
• Learn about the research and careers of physician scientists who have received the Nobel Prize

CME Information
The Federation of American Societies for Experimental Biology (FASEB) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Federation, the ASCI, and the AAP take responsibility for the content, quality, and scientific integrity of this CME activity. The Federation designates this educational activity for up to 14 credit hours in category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity. Your CME certificate and meeting evaluation form can be found in your registration packet. The forms must be completed and returned to the registration desk by noon on Sunday, April 17, or mailed to FASEB at the address indicated on the CME certificate.

Poster Sessions
The Poster Sessions are important educational events of this meeting. We hope you support and attend these scientific presentations. Poster setup is Friday from 1 p.m. – 3 p.m., and posters can be viewed during the following times:

Poster Viewing
Friday, April 15 3 p.m. – 9:30 p.m.
Saturday, April 16 7 a.m. – 12:20 p.m.
Presenters are not required to be present at the viewing time.

Poster Presentation
Saturday, April 16 12:20 p.m. – 2 p.m.
Presenters are required to attend during the entire session from 12:20 p.m. – 2 p.m.

Poster Dismantle
Saturday, April 16 2 p.m. – 3 p.m.

Poster Setup
Poster setup is from 1 p.m. – 3 p.m., Friday, April 15, in the Imperial Ballroom. Presenters should check in at the registration desk and then proceed to the Imperial Ballroom. Pushpins can be obtained at the registration desk. Posters are to be removed immediately following the Saturday afternoon session at 2 p.m. Any posters left on the boards will be removed and may be picked up at the registration desk. Any posters not picked up by the end of the meeting will be discarded.

Trainee Best Poster Awards
Three Trainee Best Poster Awards will be awarded in the amount of $1,000 each. Posters will be judged by Council Members of the ASCI and the AAP based on scientific novelty, quality and clarity of presentation. Awards will be presented on Sunday, April 17, at 10 a.m. in the International Ballroom.

ASCI Membership Desk
Visit the ASCI membership desk in the foyer of the International Ballroom for a list of new members, to pick up complimentary recent issues of the JCI, and for general inquiries about membership.

AAP Membership Desk
Visit the AAP membership desk in the foyer of the International Ballroom. The AAP staff will be there to greet you and assist with signing the AAP attendance book, balloting and purchasing tickets for the AAP Annual Reception and Dinner scheduled for Saturday, April 16.

Registration Hours
Friday, April 15 1 p.m. – 7 p.m.
Saturday, April 16 6:30 a.m. – 5 p.m.
Sunday, April 17 6:30 a.m. – 10 a.m.

Speaker Ready Room
The speaker ready room is located in the Embassy Room. It will be available during the following hours:

Friday, April 15 11 a.m. – 6 p.m.
Saturday, April 16 6 a.m. – 6 p.m.
Sunday, April 17 6 a.m. – 10 a.m.

Please check in with an audiovisual technician at least four hours prior to your presentation.

The Federation requires that audiences as FASEB-sponsored educational programs be informed of a presenter’s (speaker, faculty, author, or contributor) academic and professional affiliation, and the existence of any significant financial interest or other relationship a presenter has with the manufacturer(s) of any commercial product(s) discussed in an education presentation. When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during the presentation, it is required that presenters disclose that the product is not labeled for the use under discussion or that the product is still investigational. This policy allows the listener/attended to be fully knowledgeable in evaluating the information being presented.

Disclosure includes any relationship that may bias one’s presentation or which, if known, could give the perception of bias. These situations may include, but are not limited to:

A. Stock options or bond holdings in a for-profit corporation or self-directed pension plan
B. Research grants
C. Employment (full- or part-time)
D. Ownership or partnership
E. Consulting fees or other remuneration
F. Non-remunerative positions of influence such as officer, board member, trustee, spokesperson
G. Receipt of royalties
H. Speakers bureau
I. Other

The following presenters have indicated a relationship which, in the context of their presentation, could be perceived by some as a real or apparent conflict of interest but do not consider that it will influence their presentation. If a presenter is not listed, then he/she had no relationship to disclose. The letter shown with each company name represents the specific relationship from the list above. If a presenter is not listed, then he/she had no relationship to disclose.
